

Make “the perfect new home for us” happen

Join us for a special homebuying event in your community

This informal event will cover topics such as:

- **Homebuying Basics** — benefits and costs of owning a home, credit and home financing basics, and the loan application process
- **Low down payment options** — programs for first-time and move-up buyers, including local Downpayment Assistance Programs (DAPs) that may help you with down payments and closing costs
- **Special financing benefits** — programs to help active military or veterans and qualified union members
- **Local industry professionals** — such as housing counselors — will be on-site as well to answer any questions
